Dear Community Partner,

On behalf of the Collin County NAACP, we are excited to invite you to partner with us in supporting our Black History Summer Camp. This week-long program is designed to provide 30 middle school students from across Collin County with an enriching and meaningful experience as they study the rich and complex history of Black America. **The camp is free to all students.**

A key highlight of the summer program is the trip to **Black Wall Street in Tulsa, Oklahoma**, at the end of the week. This powerful visit gives students a firsthand look at the legacy of Black entrepreneurship, resilience, and community strength. By walking the historic streets of Greenwood, students gain a deeper understanding of their history and are inspired to build a future grounded in that legacy.

To make this possible, we are asking for your support to sponsor the cost of the camp for at least one student at **\$600 per student**. Your donation will help cover the cost of meals, educational materials, transportation, and workshops led by experienced instructors. More importantly, it will empower students with knowledge, confidence, and a stronger sense of identity.

Your organization's legacy of leadership, service, and commitment to education aligns perfectly with the mission of our Black History Camp. We believe that with partners like **your chapter**, we can continue to create transformative experiences that will shape the next generation of leaders.

Please find the donation details enclosed. If you have any questions or need additional information, please contact Sherasa Thomas at 214.505.6649 or freedomsschool@collincountynaacp.org.

Thank you for considering this opportunity to make a meaningful impact. We look forward to the possibility of working together to empower and educate our youth.

In partnership and purpose,
